

30 ANS  
D'EXPERTISE

**CUSTOM SAFETY WORKWEAR  
MANUFACTURER**

## ABOUT US

**Mustang Workwear** is a manufacturer of workwear for 30 years.

Our know-how has enabled us to design and manufacture multi-risk workwear and protective clothing tailored to the specific needs of many sectors of activity.

Mustang Workwear offers you the creation of your workwear and PPE adapted to your comfort and your image without an intermediary.

## CUSTOM MANUFACTURING

All our production is customized according to the customer's specifications.

Thanks to our Research Department and our factory based in Casablanca, Morocco, we have the capacity to manufacture a broad range of professional clothing in small or large series.

## SERVICES

*We offer a full service, from design & development to delivery of the finished product.*

# HIGH VISIBILITY

A wide range of products Hi-Viz designed in compliance with the EN ISO 20471 standard

## WEATHERPROOF

Winter and cold garments, also available in high visibility.

# “

## OUR OFFER

## WORKWEAR

Customized work uniforms with comfort, ergonomics, and durability

## PROTECTIVE WEAR

Multi-standard protective clothing for multiple risks

# R&D

Our R&D has a workshop that allows us to make your project a reality and to manufacture prototypes for eventual carrier tests.

## RESEARCH & DEVELOPMENT

We ensure the entire manufacturing process, which is done in our factory located in Morocco.

Our Research and Development department provides you with support from the creation to the design of your workwear and offers you tailor-made solutions on request, according to your specifications:

- Research of projects
- Creation of technical drawings
- Costing realization
- Choice of materials and accessories
- Manufacture of prototypes and customization

**Mustang Workwear** is SMETA certified, by SEDEX.

This certification reflects the commitment we have to our employees, our customers, and our environment.

Our customers and partners can be sure that our manufacturing processes meet the highest ethical and environmental standards.
